universal design consumer favorite 2011

2011 Design & Engineering Showcase Honors Innovations

mCube Mini 90

Ultra Small and Powerful

Extremely lightweight and compact, the powerful 90W output fulfills nearly all power needs while on the road.

10W USB for iPad & more

With a 10W USB power port, the mCube Mini 90 supports iPad and all other standard USB devices with its high power efficiency.

Travel Safe

RTCA aviation certified guarantees safe usage on airplanes. UL2089 certifies usage in autos.

Energy Saving

With extremely high power efficiency, you can reduce your energy costs and reduce CO^2 emissions.

Multi-Built-in Protection

Built-in protection against unstable voltage means you can use Innergie with confidence everywhere you go.

Great Compatibility

90W output power charges most popular brands of laptops between 15-21 volts, including Acer, Asus, Compaq, Dell, Fujitsu, Gateway, HP, IBM, Lenovo, MSI, Samsung, Sony, Toshiba, and more.

Free Tip Program

10 Laptop Tips are included with your mCube Mini 90 to match your laptops. If none of the standard tips fit your laptop, simply inform us via email and we will arrange for a FREE compatible tip to be sent to you.*

The ultra small 90W in-car charger is designed for laptop and portable device power needs for travelers. The convenient power solution lets you charge your laptop and one USB device up to 10W on the move in cars and airplanes.

*Shipping and handling fee may be applied.
